Step 2b

Step 2b: Posting on Facebook

Now it's time to post a message on Facebook. If you do not have a Facebook account, you need to create one. Post the following message everyday:

Attention Everyone! If you or someone you know is facing Foreclosure, contact me ASAP! I am here to BAIL YOU OUT OF FORECLOSURE with PhoneOps Foreclosure Bailout Program. Call me at: 321-877-4077 to discuss or complete the online application to get started: www.PhoneOpsFunding.com!!!

Step 2c - Continues

Step 2d

Step 2d: Posting on InstaGram

Posting on this is a little different. Since this is linked to your cell phone, you must email [Step2dInstaGramPhoto](#) to your cell phone then post just the photo to your account everyday. It's really easy just remember to edit the photo by removing [PhoneOps](#) number and adding yours.

For other Social Media sites, view [Step2dMediaSites](#) to get started on signing up to posting more Ads.

At this Point, you have successfully posted a:

- Craig's List ad
- Facebook ad
- Twitter Ad
- InstaGram Ad
- And other Media Site ads as a bonus but optional

Now this is a total of 4+ listings so far in the morning **EVERYDAY**, go to:

www.PhoneOpsFunding.com/FBRFileSubmission

to complete the [FBR File Submission](#) form. This form needs to be completed **EVERYDAY** after posting your Four Listings.

Step 2e

Step 2e: Visiting Local Churches

Visiting Local Churches and leaving a few flyers is another great way to go. Remember, getting yourself out there is **THE KEY** to success. Since you are offering an awesome program to Individuals that never thought this program exists, many Pastors & Deacons, etc would keep you on their speed dial.

Here are a few steps to follow, this wouldn't be an everyday requirement, but it is required to do this every Sunday:

- Visit at least 5 different Churches every Sunday
- Leave [Step2eChurchFlyer1](#) at the front desk and at some at the offices
- Go in the parking lot and put at least 100 [Step2eChurchFlyer2](#) on vehicles

If you are unable to go to at least 5 different Churches in one Sunday, try to go to at least 3.

Step 2f

Step 2f: Grading Period

We really want you to get yourself out there and work. Help those by informing them that help is out there and encouraging them to take advantage of this program before its too late. In order to keep the motivation and pressure there for you to work, we came up with a **Grading Period**.

Every 1st of the month, **Grading Period** will start and our [Back Office](#) will count how many [Applications](#) that were submitted during this period and if you fall below the minimum requirement of 10 per month, your compensation will drop \$25 for that month until the next **Grading Period**.

Your compensation will only go down \$25 & back up \$25. It will never go any lower than this. If every month you meet the minimum requirement, you will maintain your Compensation and it will not drop. The main purpose of the **Grading Period** is to motivate you to keep posting on social media [EVERYDAY](#) and getting out to Churches as there is a large gathering of people there; your program will spread a lot quicker. You can also ad ideas on what else you can do to be successful. This will only build your clientele and keep a flow of compensation for you and your family.
