Order Appraisal - Credit Card Authorization

Dear Borrower(s): _____

Date: _____

In order for PhoneOps to process your mortgage application, we need to:

- Order an Appraisal report and the cost of which varies between \$450 - \$650. Charge may occur directly from the Appraisal Company & not PhoneOps.

Below, you'll find other fees that are only charged when applicable or when a third party requires payment:

- Appraisal Re-inspect fee \$100 - \$275

This is to authorize PhoneOps Funding, LLC and/or 3rd Party to charge my credit/debit card for the above cost to process my loan application.
